I will only use your personal data when legally permitted. The most common uses of your personal data are:

- Where I need to perform the contract between me.
- Where it is necessary for my legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests.
- Where I need to comply with a legal or regulatory obligation.

Generally, I do not rely on consent as a legal ground for processing your personal data, other than in relation to sending marketing communications to you via email. You have the right to withdraw consent to marketing at any time by emailing me at [info@aquilinasocial.com](mailto:info@aquilinasocial.com) or by clicking the 'manage my preferences' link within the footer of any of my marketing emails.

## **Marketing communications**

My lawful ground of processing your personal data to send you marketing communications is either your consent or our legitimate interests (namely to grow our business).

Under the Privacy and Electronic Communications Regulations, we may send you marketing communications from us if (i) you made a purchase or asked for information from us about our goods or services or (ii) you agreed to receive marketing communications and in each case you have not opted out of receiving such communications since. Under these regulations, if you are a limited company, we may send you marketing emails without your consent. However, you can still opt out of receiving marketing emails from us at any time.

Before we share your personal data with any third party for their own marketing purposes we will get your express consent.

You can ask me or third parties to stop sending you marketing messages at any time by following the unsubscribe links on any marketing message sent to you or by emailing me at [info@aquilinasocial.com](mailto:info@aquilinasocial.com).

Where you opt out of receiving my marketing communications, this will not apply to personal data provided to me as a result of a service purchase, warranty registration, service experience or other transactions.

## **Change of purpose**

I will only use your personal data for the purposes for which I collected it, unless I reasonably consider that I need to use it for another reason and that reason is compatible with the original purpose. If you wish to find out more about how the processing for the new purpose is compatible with the original purpose, please email me at [info@aquilinasocial.com](mailto:info@aquilinasocial.com).

If I need to use your personal data for a purpose unrelated to the purpose for which I collected the data, I will notify you and I will explain the legal ground of processing.

## **6. INTERNATIONAL TRANSFER**

Countries outside of the European Economic Area (EEA) do not always offer the same levels of protection to your personal data, so European law has prohibited transfers of personal data outside of the EEA unless the transfer meets certain criteria.

Many of my third parties service providers are based outside the European Economic Area (EEA) so their processing of your personal data will involve a transfer of data outside the EEA.

Whenever I transfer your personal data out of the EEA, I do my best to ensure a similar degree of security of data by ensuring at least one of the following safeguards is implemented:

- I will only transfer your personal data to countries that have been deemed to provide an adequate level of protection for personal data by the European Commission; or

- Where I use certain service providers, I may use specific contracts or codes of conduct or certification mechanisms approved by the European Commission which give personal data the same protection it has in Europe; or
- Where I use providers based in the United States, I may transfer data to them if they are part of the EU-US Privacy Shield which requires them to provide similar protection to personal data shared between the Europe and the US.

If none of the above safeguards is available, I may request your explicit consent to the specific transfer. You will have the right to withdraw this consent at any time.

Please email me at [info@aquilinasocial.com](mailto:info@aquilinasocial.com) if you want further information on the specific mechanism used by me when transferring your personal data out of the EEA.

## **7. DATA SECURITY**

I have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, I limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know such data. They will only process your personal data on my instruction and they are subject to a duty of confidentiality.

I have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where I are legally required to do so.

## **8. DATA RETENTION**

I will only retain your personal data for as long as necessary to fulfil the purposes I collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal data, I consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which I process your personal data and whether I can achieve those purposes through other means, and the applicable legal requirements.

By law I have to keep basic information about my customers (including Contact, Identity, Financial and Transaction Data) for six years after they cease being customers for tax purposes.

In some circumstances you can ask me to delete your data: see below for further information.

In some circumstances I may anonymise your personal data for research or statistical purposes in which case I may use this information indefinitely without further notice to you.

## **9. YOUR LEGAL RIGHTS**

Under certain circumstances, you have rights under data protection laws in relation to your personal data. These include the right to:

- Request access to your personal data.
- Request correction of your personal data.
- Request erasure of your personal data.
- Object to processing of your personal data.
- Request restriction of processing your personal data.

If you wish to exercise any of the rights set out above, please email me at [info@aquilinasocial.com](mailto:info@aquilinasocial.com).

You will not have to pay a fee to exercise any of the above rights. However, I may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, I may refuse to comply with your request in these circumstances.

I may need to request specific information from you to help me confirm your identity and ensure your right to exercise any of the above rights. This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. I may also contact you to ask you for further information in relation to your request to speed up my response.

I try to respond to all legitimate requests within one month. Occasionally it may take me longer than a month if your request is particularly complex or you have made a number of requests. In this case, I will notify you and keep you updated.
